MEMORANDUM FOR:	Director of Communications Director of Data Processing Director of Finance Director of Information Services Director of Logistics Director of Medical Services Director of Personnel Director of Security Director of Training and Education	
FROM:	Executive Officer to the DDA	051/
SUBJECT:	FY 1936 Standard Support Requirements	25 X ′
REFERENCE:	DA 1935 Program Standard Support Requirements	
concept of apply Agency initiative the third year of to the formulas concept has been external, justiff always be subject office review the	been advised by the Office of the Comptroller that the ying Standard Support Requirements (SSRs) to all new yes will be used again in FY 1986. While this will be of utilizing the SSRs, we feel some minor adjustments and/or factors are required. Although the basic in accepted by all of our reviewers, both internal and fication of the amounts of requested resources will cot to scrutiny. We, therefore, request that each meir methodology and resource needs with the thought of instify the SSRs to various reviewers.	25 X
the applicable properties of the applicable properties of the applicable properties also includes laborated and applicable properties are applicable properties.	lify this process, we request that you make a copy of pages of the 1985 Program SSR booklet and make only hanges. Any substantial changes should be typed with a t providing the justification for the change. This arge revisions in resource requests. The DDA/MS will connel service amounts if appropriate.	25 X
initiatives fai additional contraction of the services section resource needs	the SSR process in FY 85, it was found that most new led to provide clear information about the number of racts that they would produce. Consequently, this booklet was not applied. Therefore, the contractual in (see pages 23-25 of reference) must be revised to tie to substantial increases in contractual service funds of the number of additional contracts	25X1
4. We feel	that the Agency cannot expect further large increases	•

2011.

would provide you needed resource additional nonpersonnel funds we initiatives. As an example, more	her nonpersonnel-related factors that es to continue the same services if re received in other components' e external research may not result in all increase the processing and paying
and hope that in future years, of the methodology will change. Placemoleted, so that we can start of	changes this year to the SSR booklet all the resources requested and not ease forward your revisions as soon as on various parts of the SSR booklet, 984. If you have any questions or ntact
